School Description

Santa Clara is a single school district, located in Ventura County midway between the cities of Fillmore and Santa Paula on Highway 126. The school is over one hundred years old. Affectionately known as the “Little Red Schoolhouse,” Santa Clara is both a historic landmark and a place for up-to-date education. Santa Clara Elementary is a single school district with fewer than 60 students. The staff is small: two teachers, a part-time instructional aide, a part-time music instructor, one teacher/principal/superintendent, a part-time secretary, a part-time custodian, and other contracted services. School staff is dedicated to providing the kindergarten through sixth grade students with a safe, respectful, and accepting atmosphere where every student can learn. Our balanced curriculum emphasizes basic skills and creativity. The State Standards direct instruction. We strive to provide all students with the tools and experience to achieve personal excellence in academic learning, critical thinking, self-expression, and citizenship.

Mission Statement

Santa Clara Elementary strives to provide a challenging education that fulfills the child’s natural desire to learn. We offer a standards-based curriculum taught in multi-grade classrooms. Our school nurtures confident and creative individuals by making art, music and drama an essential part of the learning process. Santa Clara’s unique size lends itself to a family-like atmosphere. Collaborative efforts from teachers, parents, staff, and community members encourage students to ask questions, solve problems and make thoughtful decisions in every day life.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (805) 525-4573 or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Santa Clara provides students with State-adopted textbooks. Instructional materials are purchased to support the curriculum. The curriculum is aligned with the State Frameworks and Standards. The Santa Clara School District receives funding for the purchase of textbooks that support the Standards. The school staff evaluates the State-approved textbooks available each year and determines which books would be the most appropriate for our students.

Accelerated Reader books were purchased through Perma-Bound for the Library.

All students in visual and performing arts classes (which include music history, general music, tone chimes, recorders, theater, painting, and drawing) have access to the appropriate textbooks and instructional materials. Every student, including English Learners, has access to their own textbooks and instructional materials to use in class and to take home.

School Facility Conditions and Planned Improvements (Most Recent Year)

Santa Clara is located on a 1.7-acre site. The school contains one permanent classroom and two relocatable classrooms. The schoolhouse (the permanent classroom) is a historic structure classified by the Ventura County Historical Society as a Historic Landmark. The facilities are used to house a library, kitchen, computer areas, resource area, classrooms, and office area. The schoolhouse serves as a multipurpose room for students to gather, for parents to gather, for program performances, and, on occasion, as an eating area for students.

Procedures are in place regarding campus safety for fire, earthquake, and emergency preparedness. Order and safety on campus are a high priority. The school secretary also serves as the yard supervisor for recess and lunch. The ratio of students to playground supervisors is no more than 28:1. The Santa Clara custodian cleans the rooms every other day. He is conscientious and hardworking in maintaining a clean school. The school is regularly inspected for safety. School facilities are regularly maintained and repaired.

The roofs on the schoolhouse and portable classrooms were inspected and maintained in 2015.

The State School Deferred Maintenance Program provides State-matching funds on a dollar for dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2014-15 school year, the District budgeted no funds for the Deferred Maintenance Program, due to the economic crisis in the State and the lifting of this requirement by the State.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents are encouraged to be partners in their children's education. Parents play a crucial role at Santa Clara through their active participation and involvement. There are two active, organized parent groups: the School Site Council (SSC) serves as an advisory council, and the Parent Teacher Organization (PTO) raises money and in many other ways supports Santa Clara Elementary and its students. Parents volunteer in classrooms, chaperone on field trips, attend Student of the Month Assemblies, and participate in other school activities and events. Communication is open and ongoing.

For more information on how to become involved, please contact Kari Skidmore, Principal, at 805.525.4573.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

Santa Clara School acknowledges responsibility to create a learning environment that will allow students to achieve at least grade level standards, develop self-discipline, take responsibility for their actions and learn to work cooperatively with others. To accomplish this, educators maintain high expectations for student behavior and communicate these through a Discipline Plan. The Plan is distributed to the students and parents annually in the Santa Clara Handbook. Severe misbehavior results in a referral to the principal. Suspension from school can be the result of extreme misbehavior. The Board of Education can expel a student for a serious offense. The regulations for suspension and expulsion are explained in the Handbook. The purpose of the discipline policy is to assist students in taking responsibility for their own behavior. School rules are clearly stated and discussed with the students. Rules, rewards, and consequences are enforced fairly and consistently. Except for minor infractions, teachers contact the parents when rules are broken. Classroom disruptions are minimal and student referrals to the principal are rare.

A variety of activities and programs provide Santa Clara students special recognition and fun participation throughout the course of the school year. The emphasis is on positive reinforcement of responsible behavior.

All staff must wear identification badges at all times. All visitors must sign in the school office and receive a volunteer/visitor badge. Volunteers/visitors to the school are asked by school staff to display badges at all times.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty in January 2016.

Professional Development provided for Teachers

Santa Clara School established kindergarten through sixth grade level standards which are aligned with the State Board of Education standards. Professional development activities were designed to train teachers to provide instruction that will enable students to meet the standards and implement the State educational program. There are three student-free staff development days added to the 180-day school calendar. The focus for the 2014-15 school year was on the Common Core State Standards and the Smarter Balanced Assessments. In addition, teachers attended workshops offered by the county, professional organizations, and colleges and universities. One hundred percent of the teachers participated in staff development.

For the previous three school years, we had three days each year dedicated to staff and professional development.

Types of Services Funded

In addition to the funding provided by the State, Santa Clara participates in the following categorical programs:

Title II/Improving Teacher Quality
 Title II/Technology
 Title VI/REAP Flexibility
 School Safety and Violence Prevention

There are also funds available for library books, staff development, technology, and Class Size Reduction.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
